Muslim Or Not Maldivian

Every Maldivian must be a Muslim. Anyone who leaves Islam loses their citizenship. Converting to Christianity is illegal and gathering as a church is virtually impossible. There is no religious freedom in the Maldives, nor any completed Bibles in the local language. Because of the pressure, many Christians flee the country.

Prayer Points

- Pray for God to help secret believers in the Maldives find one another for fellowship and encouragement.
- Pray for Christians to find creative ways to read the Bible, despite it being banned.
- Pray for the many Maldivians who want to leave because of their lack of freedom. Pray that they will find freedom in Jesus.
