Malaysian And Muslim

The influence of Sharia (Islamic) law is making life difficult. Converting to Christianity is illegal for Malay Muslims. They can be monitored, harassed and some just disappear. If their new faith is discovered, they could be sent to an Islamic purification centre – a camp where they are pressured to deny Jesus.

Prayer Points

- Pray for Pastor Raymond who was abducted last year. Pray for comfort for his family.
- Pray for secret believers to be able to meet together and find the strength to remain faithful to Jesus.
- Pray Christians from rural tribes don't convert to Islam for financial support. Pray they can trust in Jesus.
