Between Two Powers

India and Nepal are two of three countries in the world with a Hindu majority, and both have increased drastically in persecution. Support from India is provoking Hindu radicals in Nepal. Christians face attacks from local Hindu priests, Hindu radical groups and even their own communities.

Prayer Points

- Pray that Christians will continue to be bold amidst new laws limiting evangelism.
- Pray for many Hindu's to discover Jesus as their only Saviour.
- Pray for the political future of Nepal, and for the church to continue to grow.
