Violence, Corruption And Tradition

Persecution varies based on location. In the south, Christians are harassed by those with tribal beliefs. In areas with a high drug trade, Christians are opposed violently. In particular, churches sharing the gospel with drug addicts are targeted by gangs due to the impact this has on their criminal operations.

Prayer Points

- Pray for change, justice and equality in a country known for organised crime and drug cartels.
- Pray for God to provide for believers banished and denied access to basic needs.
- Pray for believers to reach criminals and drug lords with the gospel of Christ.
