## About

Tunisian believers don't have equal opportunities with the Muslim majority. The growing influence of Islamic extremism ideology increases hostility towards Christians.

Christians who are public about their faith face job insecurity, are abandoned by their friends and family, and can be victims of abuse. Some converts from Islam have been locked in their homes by their own family members.

### Pray

Pray for Christians to withstand the pressure to return to Islam.

Pray that the firm faith of believers will be a testimony of Jesus to the Muslim communities around them.
